

## Liftshare for Staff

Liftshare are the UK's leading car share provider. Based in Norwich with a small team, Liftshare has been providing a car share platform for 20 years.  
<https://liftshare.com/uk>

## Car Share for Parents

We promote car-share between parents living in close proximity to one another. We have setup a parent car share database, please fill in a form at the office if you are interested in joining the database.

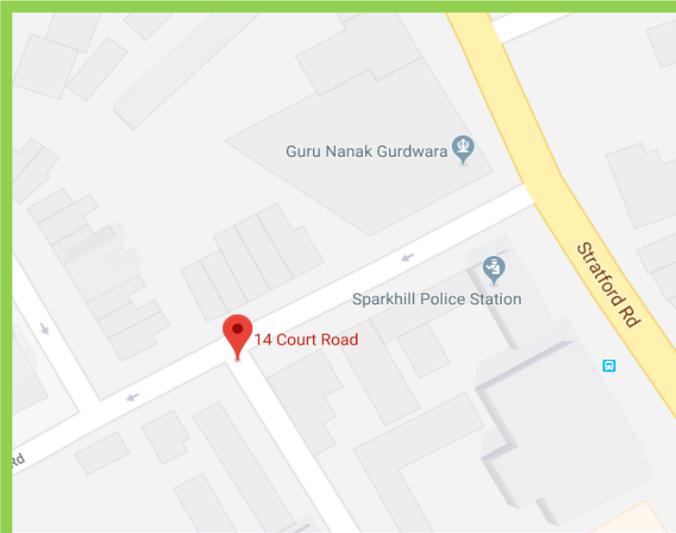

## Bikeability

Bikeability is today's cycle training programme. It's like cycling proficiency, but better! It's about gaining practical skills and understanding how to cycle on today's roads. Bikeability gives everyone the skills and confidence for all kinds of cycling.

***We encourage our young children to ride to school with their bikes, we will provide storage for their bikes while at school***

Olive School

The Olive School Birmingham,  
14 Court Road, Sparkhill,  
Birmingham B11 4LX.

## Olive School, Birmingham

## Travel Plan

Olive School, Birmingham is committed to supporting sustainable travel initiatives, including the promotion of Park and Stride, encouraging pupils and staff to cycle and walk to work and for staff and parents to car share where possible. This commitment is part of the school's overall strategic vision to be good neighbours, care for the environment and to encourage a healthy lifestyle.

***Nurturing today's Young People***  
***Inspiring Tomorrow's Leaders***

## Walk to School

### Reasons to walk to school:

- Happier minds and healthy bodies
- Fewer cars at the school gates
- Walking = No pollution
- Extra time with friends and family

### *Join us for walk to school week*

*Walk to School Week, taking place each May, is a country-wide celebration of walking. Each year Living Streets puts together a fun themed challenge to take on while walking to and from school*

## Road Safety

### Road safety tips for children on the roads:

- Set an example: stop, look and listen, don't take risks and avoid using your mobile phone when crossing the road
- Bend down to their eye level to get an idea of what they can and can't see
- Find a safe place to cross where you can see easily, ideally at a crossing or away from parked cars and when it's clear, walk straight across.

## Modeshift

Modeshift STARS is the national schools awards scheme that has been established to recognise schools that have demonstrated excellence in supporting cycling, walking and other forms of sustainable travel.

Supported by  
 Department for Transport

## Bus and Metro

Birmingham is brilliant for buses. There's a huge network linking everyone to everything. We encourage as many people to use this service when travelling to and from The Olive School. Network West Midlands has all the online timetables and fare information you need with easy ticket buying and route planning. Alternatively call 0871 200 22 33 for timetable information (Calls from landlines cost 10p per minute) or visit Centro's many information points around the city.

<http://visitbirmingham.com/travel/getting-around/bus-and-metro/>

## Network West Midlands

Network West Midlands is the name that connects all public transport in the West Midlands. This includes Birmingham, Dudley, Sandwell, Coventry, Walsall, Solihull and Wolverhampton.

You'll find timetable information at bus stops and maps and journey information at all places where services meet – helping you switch from bus to train or bus to Metro with confidence.

We're working towards creating a smoother, safer, more efficient and user-friendly system.
