

## PHYSICAL EDUCATION AND SPORT PREMIUM FUNDING: 2022/2023

### IMPACT REPORT

For the academic year 2021/2022 the school received £16,000 plus an additional £10 per pupil in Years 1-6. The school received a total of: £20,510

The table below indicates how the PE and sport premium funding was spent, along with the impact that this had in relation to five key strands.

**Strand 1:** The engagement of all pupils in regular physical activity is increased. (Chief Medical Officer's guidance is for all primary school aged pupils to spend 60 minutes a day engaged in physical activity, of which 30 minutes should be in school)

**Strand 2:** The profile of physical education and sport is raised across the school as a tool for school improvement.

**Strand 3:** All knowledge and skills in teaching physical education and sport.

**Strand 4:** A broader experience and staff have increased range of sports and activities is offered to all pupils.

**Strand 5:** There is increased participation in competitive sport.

The table below indicates how the PE and sport premium funding was spent, along with the impact that this had on increasing pupils' participation in sport and attainment in physical education in a sustainable way.

### Swimming

Swimming is part of the national curriculum and is widely regarded as one of the most effective forms of exercise. Swimming helps to build strength and endurance and improve cardiovascular fitness. We aim to ensure that all of our Year 6 pupils leave school as strong and confident swimmers who understand water safety.

The information below sets out the progress we have made in teaching our pupils to swim and stay safe in water-based environments.

Total number of pupils in Year 6 cohort	90
Number of pupils who can swim a distance of at least 25 metres competently, confidently and proficiently	The assessment will be made in July 2023
Number of pupils who can use a range of different strokes effectively	The assessment will be made in July 2023
Number of pupils who can perform safe self rescue in different water-based environments	The assessment will be made in July 2023
