IN-YEAR ADMISSION

The Olive School, Birmingham

Guidance and Advice on In-Year Admission

The information below is for parents who require an in-year admission for their child at the school. You will find it useful to read it alongside the information, which is available on Birmingham City Council's website at www.birmingham.gov.uk

In-Year Admission

1. In-year admission is the process of applying for admission into an existing year group within a school.
2. If your child has an education, health and care plan, the in-year admission process will not apply. You are advised instead to contact your home Local Authority's Special Educational Needs Team.
3. The in - year admission process will apply in the following circumstances:
 - Children wishing to change from one school to another school within the area
 - Children wishing to change from one school to another school in another area
 - Children wishing to transfer from an independent school to a state funded school
 - Children who have arrived into the city and do not have a school place
4. If you wish your child's application to be considered for admission, please follow the procedure outlined below.

Application Process

1. The in-year admission process is managed by the school. Application forms are obtainable from the school. You can also download the application form from www.olivebirmingham.com
2. Following return of the completed application form, we aim to advise you in writing with the outcome within 10 school days, but no later than 15 school days. This will include a decision where the application is referred to Birmingham City Council for consideration under the Fair Access Protocol.
3. Where a place is offered, and the place is accepted, we shall make arrangements for your child to start school as soon as possible.
4. If the decision letter informs you that a place cannot be offered to your child at the school, you will be advised of your right of appeal to an independent appeal panel. For guidance and advice on the appeals process please visit www.olivebirmingham.com and www.birmingham.gov.uk

5. Details of children refused admission at the school will be included on the school's waiting list. The school maintains the waiting list, in accordance with the school's oversubscription criteria.
6. Parents will need to complete a new in-year application each academic year if they wish for their child's details to remain on the waiting list.

For children that are unplaced and vulnerable, and those who are having difficulty in securing a place are allocated a place under Birmingham City Council's Fair Access Protocol.
